

General Requirements for High School Grades

College Prep Courses	
English	4
Social Studies*	4
Math	4
Science	3
Bible	4
Phys. Ed/Health**	1
Computer	0.5
Electives	7.5
TOTAL CREDITS	28

4 credits of Math (Algebra 1, Geometry, Algebra 2, including 1 credit in Sr. year)
 4 credits of English
 4 credits of Social Studies (Government, Economic, US History, World History, one additional social studies credit)
 3 credits of Science (Biology, Physics or Chemistry, one additional science credit)
 4 credits of Bible
 3.5 Required Elective credits including:
 **1 credit of Physical Education/Health (1/2 credit of each)
 1 credit of Fine Arts (Music, Art, Drama)
 1 credit of World Language (or equivalent anytime grades 7-12)
 0.5 credit of Computer Literacy
5.5 Elective Credit of student's choice
 Total Credits: 28

**Where a student can provide documentation of 90 hours of sports, dance, and gymnastics in a given year, that student can receive a 1/2 credit. The other 1/2 credit requirement in health education would remain the same (only applies to class of 2008-2010).

Beginning with the class of 2016, students will need to complete 2 Credits of a world language in grades 9-12.
