### Registration

Families will only be granted access to Before and After Care after registering their child and turning in the appropriate paperwork.

### Save Your Spot

You are required to save your spot for the days you will use after care by the due dates listed for each week on the WCA website, which are due on the Wednesday of the preceding week. If you miss that deadline, you may use the link for Late, Short Notice, & Emergency Care, which will incur the higher per hour rate listed above. You may also save your child's spot once instead of weekly if they consistently use the same days for care each week.

### Late Pickup Fees

If you pick up your child late from After Care, a late pickup fee will be added to your bill.

### Building Access Cards

Every family in Child Care will be given an access card for each parent that will pick up the child. This will give them the ability to access the building during Child Care hours ONLY to pick up their children. For security purposes, lost, stolen, or misplaced cards must be reported to office staff or Child Care staff immediately.
