Banner billboards will hang in the WCA gym for one year from the date of installation. Each banner will be full color on one side and made from vinyl, hemmed on all edges with grommets for hanging. Installation is included in the cost. Client will be provided a proof, 1/2 hour of design time is included for first proof and one revision with minor edits will be included in the banner production services. Additional design services required will be managed directly by our sign maker. If you would like to provide your own print ready design/artwork – spec requirements will be provided to you.

Send form, artwork, & payment payable to:
