Serve With Heart 2018

Last Friday, November 2nd, was a big day for the upper school! In the morning, we left campus to serve at places around our community. Formerly Serv-a-thon (we are no longer attaching a fundraiser to our serving. We believe that our students will benefit from serving and now called "Serving with Heart"). This is a time we look forward to as upper school students and staff to spend time out in our community providing extra hands wherever we can.

In the afternoon, we served during Rake 'n' Run. After an all-school lunch back at school, we left campus to rake and blow leaves at specific places around our community.

The day ended with a wet but exhilarating game of Powderpuff Football, known as Wildcat Bowl!

Box Tops for Education Competition Winners!

Congratulations to **Jerusalem House** and **Mrs. Perkins' 3rd & 4th Grade Class** for winning the Box Tops competition! Thank you to all the WCA families who clipped and pasted all those Box Tops to benefit our school. Your participation is greatly appreciated!!

Craft Fair Thank You

Thank you WCA for your generous support of our first annual Craft Show in October. We had 44 vendors participate in our event, raising over \$2000 for our WCA Scholarship Program and drawing people from all around our community onto our campus. We especially want to thank Brandi Bautell of Maris Rose, Laura Pear, Lynn McCain and our Senior Class Bake Sale for hosting a booth at this event and promoting it to our community. Thank you, Paula Jeppesen & family for opening concessions all day, Nu2U for promoting our event by handing out flyers to customers. A BIG thank you to Kristi Landrum for helping vendors from the beginning to then end of the day and cleaning up the campus, too! Thank you for your help, Allsion Kim, Kitty Bobbitt, Lori Howard, Kara Odegard & Marvail, Julie Castle and Cindy Oswalt - your smile and generous help made our vendors and customers feel welcome. Blessings to each of you!

Our 1:1 Missions

1:1 Missions

We are integrating faith and learning at WCA. Our partnership with a school in Guatemala allows our students to develop a global missional mindset as they study language, geography, history, and culture while engaging in the real needs of a hurting world. [continue reading](#)

Donate to VISION 20|20

For over 40 years Washtenaw Christian Academy has had one mission: to produce servant leaders who will impact the world through a Christ centered education. Despite the pressure they receive from culture to be self-focused, our students continue to grow and mature into adults who are able to contribute to society with a heart of love and compassion, while still being driven to succeed.
